## LICENCE AGREEMENT AND LIMITED WARRANTY

### 1. OWNERSHIP OF MATERIALS AND COPIES

The Materials are copyrighted works of authorship, and are also protected under applicable database laws. The Licensor or its authorised licensor retain ownership of the Materials and all subsequent copies of the Materials, regardless of the form in which the copies may exist. This licence is not a sale of the original Materials or any copies.

### 2. LICENCE

Provided that you accept these terms and conditions, the Licensor grants to you a limited non-exclusive licence to:

- 2.1 use the Materials for the sole purpose of using it for the design, detailing and selection of the Licensor's products;
- 2.2 use and copy the Materials for use on any computer system owned, leased and/or controlled by you or any member of your corporate group, which expression includes the Corporate Licensee, the Corporate Licensee's majority owned subsidiaries, any parent company having a majority owned interest in the Corporate Licensee, and such parent's majority owned subsidiaries;
- 2.3 make copies of the Materials for back up, archival or other security purposes.

### **3. LICENCE RESTRICTIONS**

You may not use, copy, modify or transfer the Materials (including any related documentation) or any copy, in whole or in part, including any print out of all or part of any database, except as expressly provided for in this licence. If you transfer possession of any copy of the Materials to another party except as provided above, your licence is automatically terminated. You may not translate, reverse engineer, decompile, disassemble, modify or create derivative works based on the Materials, except as expressly permitted by the law of this agreement. You may not vary, delete or obscure any notices of proprietary rights or any product identification or restrictions on or in the Materials.

### **4. NO TRANSFER**

The Materials are licensed only to you. You may not rent, lease, sub-licence, sell, assign, pledge, transfer or otherwise dispose of the Materials, on a temporary or permanent basis, without the prior written consent of the Licensor.

### **5. UNDERTAKINGS**

You undertake to:

- 5.1 ensure that, prior to use of the Materials by your employees or agents, all such parties are notified of this licence and the terms of this agreement;
- 5.2 reproduce and include our copyright notice (or such other party's copyright notice as specified on the Materials) on all and any copies of the Materials, including any partial copies of the Materials;
- 5.3 hold all drawings, specifications, data (including object and source codes), software listings and all other information relating to the Materials confidential and not at any time, during this licence or after its expiry, disclose the same, whether directly or indirectly, to any third party without the Licensor's consent.

### **6. NO OTHER WARRANTIES**

The output of the Materials are indicative only and should not be relied upon by you without taking advice from a qualified engineer who will be responsible for the design and decision regarding the appropriate use of the Licensor's products. Accordingly the Licensor cannot accept any responsibility or liability for any loss incurred by you as a consequence of any reliance placed thereon by you.

The Licensor is in no event responsible for any warranties, representations or guarantees of any kind, either expressed or implied, including, but not limited to, any implied warranties of quality, merchantability, fitness for a particular purpose or ability to achieve a particular result. You assume the entire risk as to the quality and performance of the Materials. Should the Materials prove defective, you (and not the Licensor) assume the entire cost of all necessary servicing, repair or correction. The Licensor does not warrant that the Materials will meet your requirements or that its operation will be uninterrupted or error free.

## **7. EXCLUSION OF LIABILITY**

Except in respect of personal injury or death caused directly by the negligence of the Licensor, in no event will the Licensor be liable to you for any damages, including any lost profits, lost savings, loss of data or any indirect, special, incidental or consequential damages arising out of the use of or inability to use such Materials, even if the Licensor has been advised of the possibility of such damages. Nothing in this agreement limits liability for fraudulent misrepresentation.

## **8. YOUR STATUTORY RIGHTS**

This licence gives you specific legal rights and you may also have other rights that vary from country to country. Some jurisdictions do not allow the exclusion of implied warranties, or certain kinds of limitations or exclusions of liability, so the above limitations and exclusions may not apply to you. Other jurisdictions allow limitations and exclusions subject to certain conditions. In such a case the above limitations and exclusions shall apply to the fullest extent permitted by the laws of such applicable jurisdictions. If any part of the above limitations or exclusions is held to be void or unenforceable, such part shall be deemed to be deleted from this agreement and the remainder of the limitation or exclusion shall continue in full force and effect. Any rights that you may have as a consumer (ie a purchaser for private as opposed to business, academic or government use) are not affected.

## **9. TERM**

The licence is effective until terminated. You may terminate it at any time by destroying the Materials together with all copies in any form. It will also terminate upon conditions set out elsewhere in this agreement or if you fail to comply with any term or condition of this agreement or if you voluntarily return the Materials to us. You agree upon such termination to destroy the Materials together with all copies in any form.

## **10. EXPORT**

You will comply with all applicable laws, rules, and regulations governing export of goods and information, including the laws of the countries in which the Materials were created. In particular, you will not export or re-export, directly or indirectly, separately or as a part of a system, the Materials or other information relating thereto to any country for which an export licence or other approval is required, without first obtaining such licence or other approval.

## 11. GENERAL

- 11.1 Each party irrevocably agrees that the courts of the country of registration of the Licensor shall have exclusive jurisdiction to resolve any controversy or claim of whatever nature arising out of or in relation to this agreement and the place of performance of this agreement shall be that country and that the laws of that country shall govern such controversy or claim.
- 11.2 This agreement constitutes the complete and exclusive statement of the agreement between the Licensor and you with respect to the subject matter of this agreement and supersedes all proposals, representations, understandings and prior agreements, whether oral or written, and all other communications between us relating to that subject matter.
- 11.3 Any clause in this agreement that is found to be invalid or unenforceable shall be deemed deleted and the remainder of this agreement shall not be affected by that deletion.
- 11.4 Failure or neglect by either party to exercise any of its rights or remedies under this agreement will not be construed as a waiver of that party's rights nor in any way affect the validity of the whole or part of this agreement nor prejudice that party's right to take subsequent action.
- 11.5 This agreement is personal to you and you may not assign, transfer, subcontract or otherwise part with this agreement or any right or obligation under it without the Licensor's prior written consent.
